

'Cuz of greedy, one day the three little pigs decided to calculate wich name is more expensive. They decided to count the letters in each name and to compare them with their values from the ASCII table. They need someone to calculate the numbers. For their luck you are the one. Find the sum of all letters in piggy name and compare with others. Print message wich piggy is more name-wealthy. Name include and white space too. Piggy names are: Fiffer Pig, Fiddler Pig, Practical Pig.

Bonus: Print rank result in decreasing order.
